VITAMINS AND INFUSIONS

VITAMIN B-12 INJECTION \$25
Increase your energy, boost your metabolism and help improve the health of your skin.

LIPO-VITE INJECTION \$35
Contains the B-Complex vitamins and lipotropic amino acids. The combination gives you extra energy and a higher fat-burning capacity as lipotropic agents help the liver metabolize fat. Increased energy, improved mood, better cognition, and enhanced weight loss are all possible with the treatment.

REVIVE HEALTHY IV SOLUTIONS

IV hydration and nutrition bypasses the digestive system, allowing essential vitamins and nutrients to go directly to the bloodstream so your body can access them quickly and efficiently. Oral ingested vitamins have only a 7-20% absorption rate. Let us customize a concoction just for you, or try one of our special blends. Give your body the nutrients it needs to get healthy and stay healthy! Feel better. Look better. Live better!
