# Welcome to RejuveCare Clinic & Medical Spa

## Our Mission Statement

We offer excellence in medical aesthetics, wellness and healthcare utilizing innovative and contemporary treatments that will empower our patients to look and feel their very best, inside and out.

## Consultation Fee

At RejuveCare Clinic & Medical Spa, we want to offer you a personalized one-on-one consultation to help you reach your health and beauty goals. Our providers will thoroughly explain the benefits of our services and recommend the best treatment plan for you. There is a \$50.00 non-refundable consultation fee that will be applied to any products or services provided within the following 12 months

---

To respect our provider's schedules, there will be a \$50 cancellation fee for no-shows and for cancellations made less than 24 hours prior to your appointment time (exceptions apply)

Face Acne Treatment	\$250/\$700/\$1250
Upper Back OR Chest Acne Treatment	\$300/\$800/\$1500

## **BBL SKINTYTE\***

The BBL SkinTyte treatment is based on the principle of selective thermolysis and utilizes pulsed light technology to deeply heat your skin while cooling as well as protecting the entire treated surface. The end result is a more youthful appearance with no downtime. SkinTyte treatments are safe for all skin colors and can be performed on any area of the body where an improvement in your skin firmness is desired.

	Single Treatment / Series of 4
BBL SkinTyte Large Area Abdomen	\$500/\$1700
BBL SkinTyte Medium Area Face, Chest, Neck, Arms	\$400/\$1500
BBL SkinTyte Small Area Eyes, Cheeks, Hands	\$300/\$1100

## SCITON HALO\*

Improves the appearance of your skin's texture and pigment, with remarkable results in 1-2 treatments using a revolutionary Hybrid Fractional Laser that delivers both non-ablative and ablative treatments to the same area simultaneously. HALO produces the impactful results of an ablative modality with shorter downtime compared to non-ablative lasers. The HALO treatment is extremely comfortable and patients can apply makeup within 24 hours of the procedure. The HALO is the premier laser used to treat wrinkles and fine lines, sun damage/dyschromia, skin texture, scarring, signs of aging, pigmented lesions, enlarged pores.

	Single Treatment / Series of 2 / Series of 3
Halo Face	\$1350/\$2500/\$3600
Neck AND Chest	\$1350/\$2500/\$3600

## Vitamins and Injections

**VITAMIN B-12 INJECTION** | \$25  
 Increase your energy, boost your metabolism and help improve the health of your skin.

**LIPO-VITE INJECTION** | \$35  
 Contains the B-Complex vitamins and lipotropic amino acids. The combination gives you extra energy and a higher fat-burning capacity as lipotropic agents help the liver metabolizes fat. Increased energy, improved mood, better cognition, and enhanced weight loss is all possible with the treatment.

**REVIVE HEALTHY IV SOLUTIONS**  
 IV hydration and nutrition bypasses the digestive system, allowing essential vitamins and nutrients to go directly to the bloodstream so your body can access them quickly and efficiently. Oral ingested vitamins have only a 7-20% absorption rate. Let us customize a concoction just for you, or try one of our special blends! Give your body the nutrients it needs to get healthy and stay healthy! Feel better. Look better. Live better.
